**Re: ClearCaptions, LLC Annual Summary of Consumer Complaints
Covering June 1, 2018 – May 31, 2019 and
Request for Confidential Treatment
CG Docket No. 03-123**

Dear Ms. Dortch:

ClearCaptions, LLC (“ClearCaptions” or “Company”) hereby respectfully submits its annual summary of consumer complaints for its Internet Protocol Captioned Telephone Service (“IP CTS”) in accordance with section 64.604(c)(1) of the Commission’s rules¹ and the Public Notice² released on May 31, 2019. The attached summary in **Exhibit 1** includes all complaints made by consumers to ClearCaptions received between June 1, 2018 and May 31, 2019 that allege violations of the federal telecommunications relay services (“TRS”) minimum standards.

As you will note in reviewing the compilation, several complaint tickets related to third-party issues such as customer internet access, the provision of which is not the responsibility of ClearCaptions. Nonetheless, ClearCaptions helped the customer resolve many third-party issues through its interaction with the customer.

The Public Notice also requires TRS providers to supply the total number of interstate relay calls. ClearCaptions provides that information in **Exhibit 2**. ClearCaptions requests confidential treatment of the information in Exhibit 2 pursuant to

¹ 47 C.F.R. § 64.604(c)(1).

² *Reminder to States and Interstate Telecommunications Relay Services Providers That The Annual Summary Of Consumer Complaints Is Due By July 1, 2019; Reminder of Ongoing Obligation to Report Contact Information and Substantive Changes in TRS Programs*, Public Notice, DA 19-502 (rel. May 31, 2019) (“Public Notice”).

sections 0.457 and 0.459 of the Commission’s rules.³ ClearCaptions is also submitting a redacted version of this filing.⁴

ClearCaptions hereby requests that all of the information contained after the heading *****BEGIN CONFIDENTIAL INFORMATION***** and before the heading *****END CONFIDENTIAL INFORMATION***** be treated as Confidential Information. As described below, the information contained between those headings is proprietary commercial and business information that is not customarily disclosed to the public or within the industry and is subject to Exemption 4 under the Freedom of Information Act (“FOIA”).⁵ The confidential information has been redacted from the version electronically filed with the Commission.

1. Identification of the specific information for which confidential treatment is sought.

ClearCaptions requests confidential treatment of all information contained after the heading *****BEGIN CONFIDENTIAL INFORMATION***** and before the heading *****END CONFIDENTIAL INFORMATION*****.

2. Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission.

The information provided is required to be submitted in CG Docket No. 03-123 by section 64.604(c)(1) of the Commission’s rules and the Public Notice .⁶

3. Explanation of the degree to which the information is commercial or financial or contains a trade secret or is privileged.

The confidential information contains competitively sensitive ClearCaptions IP CTS information that is not made available to the public and would cause harm to ClearCaptions if disclosed. In addition, this information constitutes proprietary commercial and business information under Exemption 4 of the FOIA.⁷ Accordingly, ClearCaptions requests that such information be treated as Confidential Information and not be made routinely available for public inspection.

³ 47 C.F.R. §§ 0.457, 0.459.

⁴ ClearCaptions has electronically filed only the redacted version of this filing in CG Docket No. 03-123.

⁵ 5 U.S.C. § 552(b)(4).

⁶ 47 C.F.R. § 64.604(c)(1); Public Notice at 1.

⁷ 5 U.S.C. ¶ 552(b)(4).

4. Explanation of the degree to which the information concerns a service that is subject to competition.

The confidential information concerns IP CTS, a nationwide competitive service.

5. Explanation of how disclosure of the information could result in substantial competitive harm.

Disclosure of the confidential information would cause substantial competitive harm to ClearCaptions because it would provide competitors with insight into ClearCaptions' confidential information that is not generally available in the market, which would work to ClearCaptions' severe competitive disadvantage.

6. Identification of any measures taken by the submitting party to prevent unauthorized disclosure.

ClearCaptions routinely treats the confidential information as confidential and exercises significant care to ensure that such information is not inadvertently disclosed to its competitors or the public.

7. Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties.

ClearCaptions does not make the confidential information available to the public, and this information is not generally disclosed to third parties.

8. Justification of the period during which the submitting party asserts that the material should not be available for public disclosure.

ClearCaptions requests that the confidential information be treated as confidential on an indefinite basis as it cannot identify a date certain on which this information could be disclosed without causing competitive harm to ClearCaptions.

If a request is submitted for disclosure of this information, please provide sufficient notice to the undersigned to allow ClearCaptions to take appropriate steps to safeguard the confidentiality of the information. In addition, should this request for confidentiality be denied, ClearCaptions requests that this information be returned by the Commission without consideration.

In accordance with section 64.604(c)(1)(i), ClearCaptions maintains a log of all consumer complaints that it receives. The summary contained in Exhibit 1 is based on this log.

In addition, ClearCaptions has provided the information required by section 64.604(c)(2) regarding contact persons. There has been no change in the information previously provided to the Commission.

Please contact the undersigned if you have any questions or concerns regarding this matter.

Respectfully submitted,
